Panties - Starting at \$200

Cute big girl panties are NOT cheap. And for every pair I send out, I have to replace them.

Or, if you prefer, I can show you some panties online in my size. You get to choose which ones I will buy.

You will tip me \$100 to cover the cost of the panties + shipping + the 20% onlyfans fees + my time.

When the panties arrive, I will wear them for an entire day, 10+ hours, and take pictures in them for you.

For an additional \$100 I will sext with you and masturbate in them before I take them off.

Want me to wear them additional days? That is quite unsanitary and will cost \$100 per day for my discomfort.

When I take them off, You pay another \$50 to cover the packing materials, shipping, 20% OF fees & my time.

I will package them up and send them to you and message you the custom pics I took wearing them.
